Choose your Width and repeat size. Delete the other die lines. Include one repeat.
We have a large library of repeat sizes. If you are in need of a larger repeat size, please advise.

The dotted pink lines show maximum printable area. Designating 3 mm of empty space required from both tape edges.

Standard positive tape printing die lines. **Solid lines designate repeat lengths in millimeters:**
150.8 mm Below in Dark Blue
175.9 mm Below in Orange
204.2 mm Below in Brown
229.325 mm Below in Green
