\*Disclaimer: When printing on pre-printed bandannas (Camo's, Tie-Dye's, Checkerboard, etc.) the background image may change the ink colors and/or pattern may show up through the ink.\*

PLEASE NOTE: Colors on your monitor and final product may look different. Monitors have different calibration from brand to brand and colors will appear lighter or darker depending on your settings and also our dye lots from lot to lot may vary. Inks can also look different printed on different colors and materials.

Upon approving this proof, it is with understanding that it is on an import product and the cut sides may have a 5% variance. Import bandannas are not perfectly square.
